

# LOG BOOK

*How we got our idea: me and my friend on the first day we didn't have a good idea. November 22.*

*the second day we had the idea to make a fire tornado but it was not allowed*

*we got the idea to use magnetic dust on November 29th*

*The manic dust came out on the winter break.*

*Materials:*

- *magnetic dust*
- *paper*
- *and different magnets*

*We tested the magnetic dust experiment on March 13th.*

*We made her hypothesis on the 8th of March*

*We finished it up on the 14th and 15th of March.*
